

Concept Cart

The Concept cart is a steel-framed, additional work surface that's height-adjustable and suitable for many purposes. The integrated bottom shelf offers much-needed extra storage. All of our Concept carts for sale are easy to move around as needed, and its braked wheels ensure the cart stays firmly in place for work. Our Concept carts complement Concept workbenches perfectly for an efficient industrial, laboratory, or packaging workspace.

The Benefits of Ordering Concept Carts from Treston

- Additional work surface that can easily be moved as needed
- A steel frame and laminate worktop with a total max load of 330 lbs.
- An integrated bottom shelf with powder-coated (RAL 7035) steel and a max load of 55 lbs.
- Extra shelf space is available for sale as an accessory
- Easy height adjustment (25.59"–35.43") with an Allen key
- Four swivel casters (ø 3.94"), two of which include brakes
- Available with ESD protection
- Can be equipped with an additional shelf or Drawer unit 30 series as an accessory
