

Sit Stand Chair

The Sit Stand Series supports “dynamic” standing by offering short rest periods without compromising posture or productivity. Ideal for tasks that require standing, it promotes movement and comfort in standard and cleanroom (ISO 4) environments.

- Not a seat—designed for short, active breaks while standing
- Encourages posture changes to reduce fatigue and support wellness
- Polyurethane seat resists water, oil, chemicals, and punctures
- Antibacterial, nonslip surface is easy to clean
- 11° forward seat tilt promotes proper alignment and balance
- Pneumatic height adjustment for easy, precise changes
- 27″ stable 5-star base with non-slip mushroom glides
- Available in standard and ISO 4 cleanroom configurations
